Grow Capacity in your team and organization

Bridging the Gap with Emotional Intelligence

As you navigate the complexities of change in your career and with your team, EI becomes increasingly important as you grow as a leader.

A simple way to assess, learn and develop strategies to improve the EI in your team.

- On line assessment, and personal coaching debrief by phone from your office
- 3 x 1 hour team webinars that explore topics related to self-awareness, building relationship and creating an emotionally intelligent team/organization
- 30 day post program check in call – to drive accountability

Coach-Like Leadership

Coach-Like leaders develop others by actively listening and observing and asking powerful questions so people can discover and act on what makes them great and what gets in their way.

This series offers 6 x 1 hour scheduled calls focused on the skills and behaviours vital to be a Coach-Like Leader.

Topics include:

- The Development Mindset
- Roles of the Leader
- Leading from Strengths
- Listening & Powerful Questions
- Giving & Receiving Effective Feedback
- Making Clear Requests
- Holding Shared Accountability
